### **aerospace ordnance handbook | Download eBook pdf, epub**

In addition, much aerospace and defence literature is classified for reasons of security or privacy and therefore appears only in bibliographic literature of classified materials. This Guide represents an effort to make available a single tool for retrieving report literature from the aerospace and defence communities of NATO countries.

NATO Handbook. The Division would also like to thank Mr Nicholas Sherwen, who was the originator of the  
NATO Handbook. With his dedication and under-standing of the Alliance, he has guided readers over the  
years through the intricacies of this ever-changing organisation.
