The important place of women in dance can be traced back to the very origins of civilization. Cave paintings, Egyptian frescos, Indian statuettes, ancient Greek and Roman art and records of court traditions in China and Japan all testify to the important role women played in ritual and religious dancing from the start.

The Iron Age is the final epoch of the three-age system, preceded by the Stone Age and the Bronze Age. It is an archaeological era in the prehistory and protohistory of Europe and the Ancient Near East, and by analogy also used of other parts of the Old World. The three-age system was introduced in the first half of the 19th century for the archaeology of Europe in particular, and by the later ...
