Berger Bullets Reloading Manual | Rifles and Recipes

Manuals from reloading equipment companies (Lee, Lyman, etc.) tend to have fairly general information, and tend to be the most useful when you haven't already settled on which powder/bullet combo you want to go with. Manuals from reloading component companies tend to be more specific, targeted at selling that companies products.

Recommendations for reloading manual's : reloading

Berger Target Bullets Every bullet Berger makes is produced to the same Match Grade standards. This includes using the highest quality material and tooling, while at the same time focusing their attention on the details that are critical to making dimensionally consistent bullets.

Rifle Bullets - Precision Reloading

Ensure a successful and safe reloading result. Vihtavuori offers reloading data for nearly a hundred different handgun and rifle calibers, with numerous bullet options for all kinds of shooting disciplines and needs.

Reloading data - Vihtavuori

mation on the use of IMR powders to reload shotshell, handgun and rifle ammunition. This Guide is not intended to be a "how to" manual for reloading, and we strongly recommend that all handloaders carefully read one or more of the reloading manuals which cover the subject in detail. This Guide is offered to be used at your own discretion and risk.
