This part of the globalissues.org web site looks at the conflict in the Democratic Republic of Congo. Media coverage is poor and yet there have been millions of refugees and over five million killed since the war began around August 1998. Yet the rich country leaders and their media drew everyone's attention to 2000 ethnic Albanians being killed in Kosovo (to gain support for a war there).

Regarding the street width: Starting in the early 1970s builders are required to construct a road to the official NYC mapped width. Therefore, if a development is on one side of an old S.I. road, it is constructed at mapped width along the developer's property for the length of the development only.
