The Harvard Business Review is a very well written publication that has served me well over the last few years of graduate school. I feel the subscription falls short because it does not offer any additional features such as reviewing past editions on-line or down loading the articles.

Amazon.com: Customer reviews: Harvard Business Review

David Norton and I introduced the Balanced Scorecard in a 1992 Harvard Business Review article (Kaplan & Norton, 1992). The article was based on a multi-company research project to study performance measurement in companies whose intangible assets played a central role in value creation (Nolan Norton Institute, 1991).

Conceptual Foundations of the Balanced Scorecard 3.17.10

Beacon Institute teamed with Harvard Business Review Analytic Services, surveying global business executives about the extent to which purpose is utilized by their organizations—and, importantly, the impact that it has upon their ability to grow, innovate, and transform.
