

**myths rituals and beliefs pdf**

Myth is a folklore genre consisting of narratives that play a fundamental role in society, such as foundational tales. The main characters in myths are usually gods, demigods or supernatural humans. Myths are often endorsed by rulers and priests and are closely linked to religion or spirituality. In fact, many societies group their myths, legends and history together, considering myths to be ...

Religion may be defined as a cultural system of designated behaviors and practices, worldviews, texts, sanctified places, prophecies, ethics, or organizations, that relates humanity to supernatural, transcendental, or spiritual elements. However, there is no scholarly consensus over what precisely constitutes a religion. Different religions may or may not contain various elements ranging from ...
