New York City Photographer - Ken Jones | NYC Fashion

Photography is the art, application and practice of creating durable images by recording light or other electromagnetic radiation, either electronically by means of an image sensor, or chemically by means of a light-sensitive material such as photographic film. It is employed in many fields of science, manufacturing (e.g., photolithography), and business, as well as its more direct uses for art ...

Hiring a professional wedding photographer will ensure that you'll get polished photographs on your big day. To get the styling and details you desire, there are certain questions you'll want to ask a wedding

photographer before hiring them. Once you have found the perfect match, there are still some key things you should consider when planning your wedding photos.

Wedding Photography Checklist and Tips | Shutterfly

Wedding photography is the photography of activities relating to weddings. It encompasses photographs of the couple before marriage (for announcements, portrait displays, or thank you cards) as well as coverage of the wedding and reception (sometimes referred to as the wedding breakfast in non-US countries). It is a major branch of commercial photography, supporting many specialists.
